This pamphlet describes the variety of federal benefits available to veterans & their dependents as of Jan. 1, 2014. Changes may occur during the year as a result of legislative or other requirements. The Department of Veterans Affairs (VA) World Wide Web pages are updated throughout the year to present the most current information. The [VA Home page](#) contains links to sections on all benefits. The VNVDV recommends you always seek the free assistance of the trained, certified professional VSO representatives at our County Veteran Service Offices FIRST – prior to attempting to apply for any Veteran benefits & services. They are "advocates" for the Veterans & family members.
