MAY 2020

**Viet Nam Veterans of Diablo Valley  
VNVDV HAVE ARRANGED A VIRTUAL MEETING  
FOR THURSDAY MAY 7TH ~ 6 PM  
DETAILS WITH LINK WILL BE SENT BY E-MAIL**

## PRESIDENT'S MESSAGE

Gary Estrella  
VNVDV  
President

UPCOMING  
EVENTS:

WALK OF  
HONOR

**CANCELLED**

May "Shelter in Place" remains. Seems we are still captive to the Corvid-19. Patience is the key word for health and well-being.

Your Board continues to keep the VNVDV business on track. We have been contacting all our members via telephone checking on contact information and status. **We plan a ZOOM Dinner meeting for Thursday May 7<sup>th</sup> at 6:00 pm. For those of you still stuck in the '65 to '73 era, it means we meet via computer from your own war room. You will shortly receive an email with instructions on how to join the meeting from home using your computer.**

Do not panic the Board is working out all the details and it should be a cake walk. I know . . . we all heard that before, just before we departed the perimeter on an operation.

The Crow Canyon Country Club is still closed to us for Dinner Meetings. They will begin to open soon for golfing. However, what I just read today it is probably going to be one golfer at a time and walking only. The real challenge for restaurants is going to be how do you offer buffet dining with social distancing and dozens of people touching serving utensils. It looks like the only food service businesses will be take-out only for a while.

See you Thursday. That is right, you will see each other via Zoom on your computer. So, get your favorite beverage and turn on your computer, check your email and follow the directions. You will be safe and will not be contaminated with germs other than your own.

## National Vietnam War Veterans Day

On March 28, 2017, President Donald J. Trump, signed into law [The Vietnam War Veterans Recognition Act of 2017](#), designating every **March 29** as *National Vietnam War Veterans Day*

National Vietnam War Veterans Day joins six other military-centric national observances codified in [Title 4 of the United States Code §6](#) (i.e., Armed Forces Day, Memorial Day, Independence Day, National Korean War Veterans Armistice Day, Navy Day, Veterans Day).

March 29 is a fitting choice for a day honoring Vietnam veterans. It was chosen to be observed in perpetuity as March 29, 1973 was the day United States Military Assistance Command, Vietnam was disestablished and also the day the last U.S. combat troops departed Vietnam. In addition, that same day Hanoi released the last of its acknowledged prisoners of war.

[The United States of America Vietnam War Commemoration](#) honors all U.S. veterans who served on active duty in the U.S. Armed Forces at any time from [November 1, 1955 to May 15, 1975, regardless of location](#).

**November 1, 1955** was selected to coincide with the official designation of Military Assistance Advisory Group-Vietnam (MAAG-V); **May 15, 1975** marks the end of the battle precipitated by the seizure of the SS Mayaguez.

The Department of Veterans Affairs estimates that today there are more than **6 million U.S. Vietnam veterans living in America and abroad**, along with **9 million families of those who served** during this time frame. We make no distinction between veterans who served in-country, in-theater, or who were stationed elsewhere during the Vietnam War period. All were called to serve and none could self-determine where they would serve.

**Additional Background:** U.S. involvement in Vietnam started slowly with an initial deployment of advisors in the early 1950s, grew incrementally through the early 1960s and expanded with the deployment of full combat units in July 1965. The last U.S. personnel were evacuated from Vietnam in April 1975.

This national commemoration was authorized by Congress, established under the Secretary of Defense, and launched by the President to thank and honor our Nation's Vietnam veterans and their families for their service and sacrifice.

# Veterans: Call before visiting your VA facility

Medical appointments possible at home via VA Video Connect

## VA APPOINTMENT PROCEDURE UPDATE

Got a fever, cold, cough or flu-like symptoms? Are you worried that you have a viral illness?

The last thing you want to do is get out of the house to see the doctor, exposing yourself (and others) to more potential bugs and viruses.

VA can make it easier and safer to get back to health with virtual care through My HealtheVet and the VA Video Connect app on your smartphone, tablet or computer.

What is virtual care? Virtual care means you can contact your VA provider (and health care team) through [secure messaging](#) or receive treatment by telephone or video. Last year, Veterans had over 20 million virtual engagements with VA.

Any Veteran who qualifies to receive VA care and lives in the U.S. is eligible to use virtual care.

---

### [Long Description](#)

*Staying home – easier for you, safer for the community.*

Virtual care is personalized and can connect you with your providers more effectively than ever. Ask your health care team if virtual care can help meet some of your health care needs. Options include in-home health monitoring with tailored technologies, connection to specialists, or even remote scans and data.

Cold and flu care made easy

Virtual care is **safe and effective**. **Imagine the benefits to you and to your fellow Veterans if you don't have the hassle of going to the hospital or clinic with a cold, flu or other viral illness. You can stay at home and avoid battling for a parking spot and spending time in a waiting room. Most importantly, you won't put other Veterans at risk of a highly contagious illness. Staying home can be easier for you AND safer for the community by helping contain the spread of infectious diseases.**

You probably already know [My HealtheVet](#) is a great way to manage your care – with online Rx Refills, VA Appointments, and your labs and tests, radiology reports, and images.

With secure messaging and video appointments, reaching your providers while at home can be easy, too. While not for use in emergencies, a secure and private session begins with a simple request with a Secure Message for a video appointment. [Sign in](#) and request one next time you need to see your doctor or other providers.

Your health care team can also set up an in-person appointment, if needed. Call your VA health center if you have symptoms.

# Veterans can search free resources through **Code of Support's PATRIOTlink**

## Find vetted, direct, cost-free services

---

*Code of Support's PATRIOTlink*® platform is a free online resource database that includes thousands of programs tailored to the military and Veteran community.

Through **PATRIOTlink**, users can search vetted, direct, cost-free services specific to their needs. **PATRIOTlink** was recently redesigned to make it even easier to use. Now, users can complete searches by entering less information and they can view events and job opportunities in their area through a news feed feature.

### Working together, a partnership with VA

With over 40,000 Veteran Service Organizations offering resources, both VA and Code of Support recognize that collaboration is a key to ensuring military and Veteran families find the right help. This partnership between *Code of Support* formally started in December 2018 when VA's Veterans Experience Office signed a Memorandum of Understanding with *Code of Support*.

Through its ongoing collaboration with **VA**, Code of Support's **PATRIOTlink** database includes a list of VA resources along with program information for each resource. Listed resources include suicide prevention coordinators, Vet Centers, domiciliary units, and caregiver support services. Including these resources in **PATRIOTlink** makes it easier and more efficient for Veterans to access VA resources, which improves outcomes. The VA collaboration also ensures that awareness of available resources extends to more suicide prevention coordinators and caregivers across the nation.

[Long Description](#)

Together, VA and Code of Support hope to improve the access to and navigation of resources in local communities to best serve Veterans, families, caregivers and survivors. Code of Support provides case coordination, education and engagement, and a navigation platform that allows service providers to reduce the amount of time it takes to find resources to meet their client's needs. VA cannot do it alone, and partnerships like Code of Support help to augment and supplement VA services and benefits where needed.

VA is providing Code of Support the most up to date resource and contact information to access and navigate VA services and benefits that includes caregiver support services, suicide prevention and homeless coordinators, Vet Centers and domiciliary units. One of VA's goals is to ensure that access to services and benefits is easy, efficient, and creates positive experiences in receiving care and support where they live.

Veterans and their families should not have to struggle with finding resources and services, so VA encourages Veterans and their families to use the free services from partners like the Code of Support Foundation for easier access and navigation support.

### How do I join?

To get started, simply login at [www.patriotlink.org](http://www.patriotlink.org), enter a few keywords or select a service need, and filter the results by your specific eligibility criteria. You can then see a list of unique resources customized to your needs.

To learn more, visit [Code of Support Foundation](#) or [PATRIOTlink](#).

To request additional information, email [patriotlinksupport@codeofsupport.org](mailto:patriotlinksupport@codeofsupport.org).

# REAL ID REQUIREMENT IS OCTOBER 1ST 2020

## Now is the time to consider a REAL ID!

REAL ID is the next generation of identification recognized across the country.

Starting **October 1, 2020**, you will need a REAL ID, valid passport, or other federally approved form of ID to travel by plane within the U.S. or to access federal facilities and/or military bases.

If you decide not to get a REAL ID, your California driver license or identification card will display the phrase "Federal Limits Apply" while a REAL ID will display a California bear with a star.

DL 1400 (REV. 9/2019)

## Add "VETERAN" to your license!

## How to get a REAL ID

To convert your California driver license or identification card renewal to a REAL ID you must visit a field office. Beat the rush by making an appointment early, or check wait times online to visit as a walk-in.

2. **Proof of Social Security number** (SSN card, W-2 or paystub with full SSN)
3. **Proof of CA residency** (2 documents, such as home utility bill, vehicle registration, property tax bill, or mortgage or lease agreement)
